Dear Mr. Kennedy,

I would like to thank you and your team at Industrial Polymers and Chemicals for your generous donation of isolation gowns to Tufts Medical Center. We are so grateful for your support in helping us confront the coronavirus pandemic.

We appreciate your great awareness of having a reliable supply of personal protective equipment during this challenging time. At Tufts Medical Center, we have a single objective in responding to the crisis: to save as many lives as possible. Your donation will help us achieve our objective by ensuring that our extraordinary workforce has the equipment they need to safely provide compassionate care to all who come through our doors.

Thank you again. Your generosity will help our community overcome this pandemic.

Sincerely,

Maura G. Lynch
Vice President and Chief Development Officer
